

Furniture sector Avant-garde Creativity and Entrepreneurship Training **project**

FACET aims to develop innovative **tools for training in creativity and entrepreneurship** for the **furniture and home interior sectors** to be used for initial vocational education and training (VET), as well as for the continuous VET for workers.

Professional skills, knowledge and competencies needs related to **creativity** and **entrepreneurship** will be analysed within the sector. Based on these, a training path and an **online course** will be developed. Course learning tools will include work-based learning.

Implementation period: 01/11/2018 – 30/04/2021

Applicable results for companies:

- **Analysis of the current situation** and the companies / professionals needs in relation to creativity and entrepreneurship in the furniture and home interior sectors.
- **Training materials** and **work-based learning** tool in 7 languages.
- Possibility of **participating in the pilot course** during the project.
